Lockheed Martin	PLTW Engineering	Nationwide	Scholarships	<p>Calling all STEM Scholars! Lockheed Martin has launched a new scholarship program to provide opportunities to students who want to build their talents and change the world! Beginning in 2019, Lockheed Martin is awarding 200 scholarships of \$10,000 per student – renewable each year. The program will continue to add up to 200 new recipients each year, and will be open to individuals studying engineering or computer science that demonstrate financial need and come from underrepresented or underserved communities. The scholarship program doesn't end with a check. Mentoring opportunities will be a key component of the program, and recipients will also be eligible for Lockheed Martin internship opportunities following their freshman year in college.</p>	<a href="https://lockheedmartin.com/en-us/who-we-are/communities/stem-education/lm-scholarship-program.html">https://lockheedmartin.com/en-us/who-we-are/communities/stem-education/lm-scholarship-program.html</a>
